AREA AROUND STATION  
ASB  
Atmosphere is dying due to over development  
B2233 and used by police as a "rat-run"; too narrow for buses/lorries to pass cyclists.  
BAD 1969's 1970's BUILDINGS  
bad parking  
Badly maintained pavements. Road traffic, starteet parking in centre.  
Badly maintained roads.  
Barnahm center is tatty, lots of large advertising boards. Its center has been badly developed. Needs more trees and proper planning  
Barnham bridge hotel  
Barnham Bridge Hotel and surrounds. Trouble kicking off at train station.  
Barnham bridge inn is a mess, no police  
Barnham central area- pub opposite station is an eyesore. Will not like the area if huge building plans go ahead.

Condition of roads  
Congestion  
Congestion around schools at mainly leaving time.  
Congestion of traffic, commuter parking on residential roads.  
Constant pressure of development threats, gradual erosion of the character of the Villages by loss of green spaces, Fontwell Roundabout (made worse by recent 'improvements'), lack of proactive planning from ADC leading to lack of backbone to prevent groups such as GTTS getting positive discrimination. Intensification of businesses situated within residential housing.  
Constant traffic  
constant traffic  
Constant traffic of A29 and A27.  
Continual broken sewage lines.  
Continued development of inappropriate sites.  
Could be more buses - free transport with bus pass. Trains are very good, but expensive.

Council housing mixed in with private although this helps to maintain standards with council areas.

#### CROWDED PARKING

Destruction of the rural setting. Irresponsible parking - everywhere.

Developments - too many people.

Development

Dilapidation and poor maintenance of the public realm. Too many people not participating in community events and activities. Developers/land-owners dictating where housing will be.

Dilapidation of Railway Tavern and the adjoining 'antique ?magnet' site.

Dog mess

Drivers who show disrespect by damaging verges rather than wait 15 seconds for other vehicles to pass.

#### EVERYTHING

Excess parking

Excessive and ever increasing traffic and population increase.

Expanding villages and traffic.

Extra housing

Extra traffic

Extremely poor pavements in St George's walk

Fast inconsiderate drivers along lanes whom fail to slow down for pedestrians but will for horses.

Fast moving traffic.

Fast traffic

Fear of Barnham becoming even more of a Commuter area.

Fill in housing.

filling in ridiculous forms

Flood risk

Flooding

#### FLOODING - THROUGH TRAFFIC

Flooding (sewage), heavy traffic, anti social behaviour and petty theft.

Flooding and traffic.

Flooding. Commuter parking.

Flooding. Too much traffic. Nowhere for teenagers.

Flooding/flood risk, especially in winter. The increasing amount of cars parked down Orchard Way and around Farnhurst Road.

Free for all, illegal parking during school pick up times!

Gangs of teenagers hanging around at night.

Getting flooded

Getting overbuilt.

Getting to built up to in some area's.

Getting too built up and crowded.

Gradual urbanisation.

Grown very rapidly nearly a town

H.G.V.'s - Should not be on Lake Lane, small lanes dangerous for cycling.

Having to buy dustbin.

Heavy lorries

Heavy traffic in Lake Lane Poor safety on roads for horse riding.

Heavy traffic.

Heavy vehicles

Hold ups at Fontwell roundabout and the train crossing at Woodgate. Heavy traffic on the A29.

Housing developments

Housing encroaching on locality by stealth.

How its grown and lost some of it's character over the years.

I like it as it is.

Ignorant school children who force pensioners to stop into road to pass.

In filling with houses in back gardens.

Inadequate parking. No toilet facilities.

Increased housing

#### INCREASED TRAFFIC

Increasing numbers here without infrastructure.

Increasing traffic along Barnham Road and flooding.

Increasing traffic volume and street parking.

Increasing volume of traffic.

Increasing volumes of traffic. Losing its rural feeling.

Increase in traffic and housing. Longer waits for Dr appointments. Lack of peaceful places to walk without having to use busy, noisy roads.

Infrequent bus service, threat of destruction by council planning department.

Irresponsible parking in side streets.

It is expensive to visit the doctors on a low income. £5 E/W by taxi. Buses are useless.

It is now far too crowded and can no longer be called a 'village'.  
It's being built over  
It's not a village anymore  
Kids from Philipphoward, parking.

Occasional anti social behaviour  
On street parking by commuters (one recently for as long as a week-guess they were away on holiday).  
Traffic build up through Barnham village. Speeding either side of Barnham village. Feeling threatened by people hanging around the Barnham Bridge Inn - perhaps this will cease now with its closure. It is unsettling to feel innudated by so much development yet to come, where planning permission has already been given. Makes me worry about how the atmosphere may change (more people, more traffic, more noise, more light pollution, loss of wildlife etc) and it is always in the back of my mind that if the disruption is too great I may need to seriously consider moving elsewhere. The village centre looks unattractive and is incohesive, it should be redesigned to reflect the heritage of the village and be more pleasing to the eye. The sloping pavement outside the Barnham Bridge Inn is always difficult to walk on goodness knows how less able people manage. Teenagers littering on Murrell's field and being mouthy when challenged.  
Ongoing air of threat & menace from ADC and its appalling plans over many years Village centre very tatty, shopkeepers lacking in spirit to promote the village - Parking is always a pain. Through traffic on Yapton Road - speeding. Lack of allotments & other outdoor facilities  
Only one high educational standard high school.  
Open-Ended Response  
Outsiders, newcomers who don't know anything about the village or people and then try to change everything, too much traffic  
Over crowded roads, lack of cycle paths roundabout needed at west engage school  
over development ie more than there is now.  
Over development of local facilities and awful rat run for East/West commuters.  
Over the last 35 years excessive development has totally changed the character of the area. This development, in part, resulting from repeated failures by elected district officials to plan and control development effectively.  
Overcrowding.  
overgrown, disused nursery sites, boarded up derelict houses and shops. increasing amounts of traffic, mostly exceeding speed limits. NO ATTEMPT AT SPEED CONTROL EVER

The A27 not fit for purpose. Chi bypass, Arundel., Worthing appalling.  
The amount of ? traffic.  
The amount of HGV traffic passing through - Barnham is a dangerous bottleneck.  
The amount of litter thrown on the roads from cars.  
The amount of traffic.  
The arrangement of shops not very attractive!  
The busy through road.  
The congestion of cars parked outside Natwest and owners parking in our car park while they shop.  
The constant threat of development.  
The constant threat of development. The threat of flooding. The poor village parking and bad parkers in particular. The amount of litter and the poor attitude of some of the residents to their environment. The lack of opportunity in the Village.  
The constant threat of speculative developoment and strategic housing  
The continual threat that our peace and home are going to be disrupted by development!!  
The eye sore undeveloped derelict nursery sites on main road!!  
The eyesore of the Barnham Bridge Inn and associated "Yard".  
The facilities and the look of the shops  
The fact that more houses are being built around us. Soon we will be living in a built up area, surrounded by other houses, which is something that we moved away from in the first place (at great financial expense!). I also dislike how busy it is becoming and the fact that local village people have to pay to use the car park at

their local village shops. Barnham is still (at the moment) a village and yet we are being charged premiums to park as if we were already a town, this in turn actually stops you from visiting the local shops in favour of going to the big super markets.

The flooding!

The growing problems with transport, particularly in the village of Barnham

The high level of traffic ? using the Barnham Road.

The increase in housing which is not for local people. The push to increase social housing quotas.

the increase in traffic and lack of facilities for car users

The increase in traffic and lack of parking.

The increased amount of traffic going through village.

The increasing overdevelopment and the increasing road traffic. The congestion of parking at local shops.

The lack of care of the environment - Rubbish, verges and pavements.

The new car parking charges.

The number of cars using the road through the village.

the ongoing housing be built around a village

The overall look of the village centre is spoilt by the Barnham Hotel.

The overhang shrubs along pavements.

The possibility of more development.

The prospect of joined up villages - Greater Bognor.

The speed of the traffic and no lighting

The speed of traffic from Barnham Lane

The thought of the A29 running behind my home.

The threat of massive housing estates and new bypass

The threatened building, which if allowed will spoil the village. The poor drainage. The authority responsible for planning (Arun Council) not caring in the slightest about the interests of our village or the wishes of our residents. When it comes to planning matters we have only sham democracy, not true democracy where the opinions of the local people are listened to and followed.

THE TRAFFIC

The traffic and parking by train station.

The traffic through Barnham and delays with railway gates.

The traffic; lack of free short term parking

The Traffic!

The transient commuters and through traffic that encourages excess development of fast-food eateries that fail to offer services of interest to the local communities together with anti social behaviour from patrons of the Barnham Bridge Inn.

The volume of traffic.

The way the village is growing

The worry about housing developments completely changing the character of the villages

Thought that this could change radically by overdevelopment.

Threat of development

Threat of Housing. Sewage problem.

THREAT OF NEW ROAD

Threat of over development

Threat of over development Proximity to Bognor

Threat of speculative development and threat of strategic housing being dumped in this area.

Threat of too much additional housing which would change villages to suburban sprawl. Increasing amount of litter.

Threat to make us urban!
